FROM THE PRESIDENT

Missions Friends and Partners,

I don't have to tell you how wild 2020 has been in the midst of the COVID-19 pandemic…but God has still been good through every moment of it.

For instance, despite all of the flight cancellations, travel restrictions, and general chaos, CfaN has not missed a single Great Gospel Crusade! On the contrary, we've planned more events than ever. I speak for the whole team when I tell you that, despite the turmoil around us, we're operating with a heightened expectation of the Father's abounding grace and unshakable power.

Our expanding efforts are in part possible because the graduates from the inaugural class of the CfaN Evangelism Bootcamp have hit the ground running. As Bootcamp graduate and Tanzania team member Jacob Ebersole said, "When I started talking to people, I noticed the expectation to see something great here in Tanzania." His classmate and fellow team member Joe Turnbull echoed the sentiment: "As we got out of the airport, we were just sharing Christ, praying for people, and people were just so hungry, so open, and so loving."

With that in mind, the CfaN team commits this issue of *Impact Magazine* to the incredible Bootcampers who, even as I write this, are already making a tangible difference for the Kingdom. It is a fruitful opening to the Decade of Double Harvest!

Of course, none of this would be possible without your continued prayer and financial support. **You** are an integral part of everything the Lord is doing through CfaN.

Many, many thanks for your faithfulness.

Yours in the harvest,

DANIEL KOLENDA

BE CONFIDENT in your calling!

JARED HORTON

It has truly been an honour and privilege to be a part of this CfaN Evangelism Bootcamp. Over the past two years, I have ministered as a guest evangelist in four pre-crusade outreaches in Africa with Christ for all Nations. In November 2019, Evangelist Daniel Kolenda met with me, shared the vision of the Bootcamp training, and asked me to move to Orlando to help train and mentor evangelists. I could find no reason why I would not want to help him raise up an army of evangelists! I gladly packed my bags and moved to Orlando at the beginning of 2020.

As I began working with the Bootcamp students, one of the first things I noticed was that a few students lacked confidence in themselves to be evangelists. One of the biggest tactics of the enemy is to strip people of their confidence that God can use them. You can be pure and holy but still lack the faith it takes to operate in the power of God.

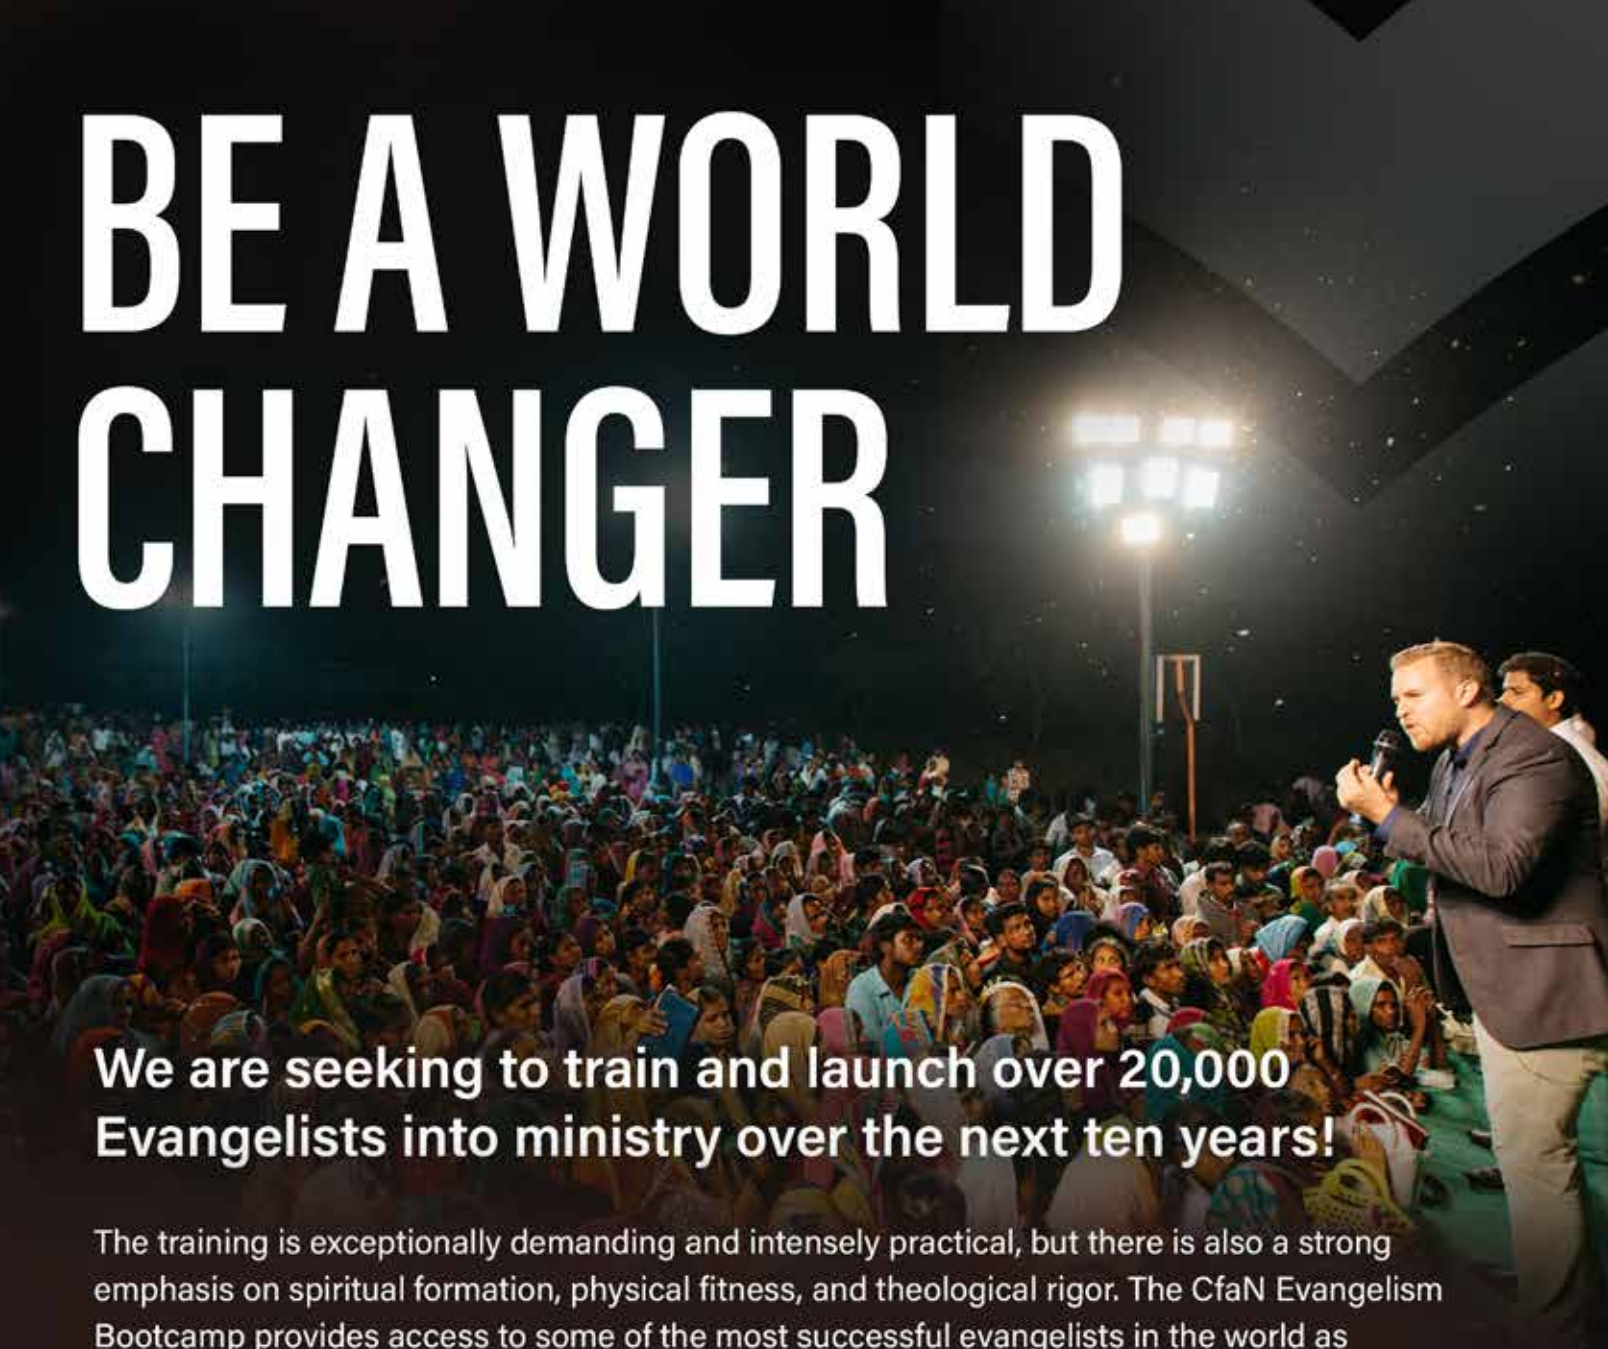
One of my main prayers for them was, "*God, give these evangelists the confidence that You can use them just like You can*

"God, give these evangelists the confidence that You can use them just like You can use any other man or woman of God."

use any other man or woman of God." I'm glad to say I believe God answered my prayer! It was so amazing to see the transformation in these evangelists. I don't even know how to explain it. All I can say is that this Bootcamp has radically changed the lives of each one. They look so different. It is nothing you can see with your natural eye, but you can tell in the spirit that something supernatural has been imparted to them here at this Bootcamp. They now walk with a supernatural authority on their lives.

I can't wait to watch them minister on foreign soil, heal the sick, cast out devils, and bring in massive harvests of souls! Maybe, as you read this, you know that you have the call to be an evangelist, but you are not sure how to do it and you lack confidence. I want to encourage you to not waste your whole life sitting on your calling, believing that one day you will shake the nations. Now is the time, my friend! TAKE ACTION, get trained, get equipped, and learn to walk in the authority of your God-given Evangelistic calling!

BE A WORLD CHANGER



We are seeking to train and launch over 20,000 Evangelists into ministry over the next ten years!

The training is exceptionally demanding and intensely practical, but there is also a strong emphasis on spiritual formation, physical fitness, and theological rigor. The CfaN Evangelism Bootcamp provides access to some of the most successful evangelists in the world as instructors, mentors, and coaches, allowing students to glean from the experience of these ministry veterans. CfaN also provides ongoing mentoring, credentialing, ministry opportunities, and in-the-field support to its graduates. As a result, the graduates are ready to take their place in the harvest fields.

A vision for CHILDREN'S outreach at CfaN

JAKO HUGO

My lovely wife, Karin, and I have been part of the CfaN team for over twelve years, and earlier this year, we were asked to coach and mentor at the first CfaN Evangelism Bootcamp in Orlando. What a joyful time!

Everyone who knows us knows our greatest passion is sharing the Gospel with children in schools. With our own eyes, we witnessed over 3 million children say "yes" to Jesus in Africa over the last decade. We believe this is just the beginning. Over the next ten years, we are trusting God for many millions more children to come into the Kingdom of God across the globe.

Evangelist Daniel Kolenda's vision for a Decade of Double Harvest for this decade is absolutely possible through multiplication. Imagine if the current 52 Bootcamp-trained CfaN evangelists would each lead 1 million children to Jesus over the next 10 years. That would already be 50 million souls taken from darkness to light. And Daniel's vision is to train 20,000 evangelists!

Daniel's vision is to train 20,000 evangelists!

We witnessed over 3 million children say "yes" to Jesus in Africa over the last decade.

Africa is a continent of the young

We believe that now is the time for all hands to be on deck. In the coming decade, millions of believing young people in Africa will be the next massive wave of evangelists, pastors, and church workers, transforming their homes and communities in Jesus' name.

CBN CfaN

Partnership in outreach

Over a three-month period, CfaN teams visited 1,017 schools in Tanzania, speaking to over half a million people. During that time, 327,396 people said yes to Jesus. Praise God!

While Swahili is the language spoken at most of the schools, the schools where English is spoken were very grateful for the Superbook DVDs, provided by CBN (Christian Broadcasting Network) in partnership with CfaN.

I'll never be the same AGAIN

DAVID ROTÄRMEL

Never could I have imagined the impact that CfaN Evangelism Bootcamp 2020 would have on my life. Being an evangelist for many years, I knew that my calling was to win masses to Christ. After conducting smaller Gospel Crusade campaigns in Germany, I reached out to CfaN to ask if there was any possibility of learning about crusade evangelism. After finishing my master's degree, I applied for the CfaN Bootcamp and was accepted.

"Keep your heart soft and tender."

At Bootcamp 2020, my life was transformed right into the deepest places of my heart. In one of the first

"Evangelists, make sure you keep your heart soft and tender towards the Lord every single day."

sessions, Daniel Kolenda mentioned, “Evangelists, make sure you keep your heart soft and tender towards the Lord every single day.” Little did I know that this would be the biggest transformation imparted to me. The spiritual formation morning sessions with Eric Gilmour made my heart so tender towards Jesus, I ended up experiencing Jesus every single day in very deep ways.

Daniel Kolenda gave us insight into every aspect of an evangelistic ministry. There were no secrets at all; he wanted us to see and experience all of it. Even during the International Planning Meetings week, where all executive directors of CfaN come to Orlando to plan, he gave us the opportunity to sit in, meet the directors, and ask questions. In addition, we had private teaching sessions with the best crusade directors in the world, including Rev. John Darku, who has organised some of the biggest evangelistic campaigns, and Mr. Bret Sipek, who has pioneered the way into mass crusade evangelism in Europe in the 21st century.

“I can only summarize my Bootcamp experience with one sentence: ‘I will never be the same again.’”

Graduation is just the beginning

The graduation of Bootcamp was not the end. In fact, everything just started from there. CfaN Bootcamp does not just send its students home but rather stays in touch and even gives them the opportunity for on-the-field training in Africa. I will be one of many crusade director interns for five massive Gospel crusades that CfaN is conducting in Tanzania this year. Right now, I am on the ground and am in charge of one of the teams preparing one of the five Gospel crusades.. All the theoretical training of the Bootcamp is set straight into action.

We are expecting whole cities to be shaken with the Gospel, hundreds of thousands of souls to receive salvation, and tens of thousands of people to receive their healing. I can only summarise my Bootcamp experience with one sentence: “I will never be the same again.”

For this generation, LORD!

Russell Benson is CfaN's International Director, a passionate evangelist, and a forerunner of revival who is passionate in the equipping of the saints for the work of the ministry, and in passing the baton to the younger generation for the next great awakening.

"God, we have experienced a revival in our generation. I pray for this generation to experience an even greater revival." This is what Russell Benson prayed for young people when he spoke at the Light the Fire Again Conference in Pensacola, Florida.

Light the Fire Again Pensacola was a historic gathering of past and current world revival leaders. The event was hosted by Christ for All Nations (CfaN) and is all available online.

"God wants to anoint your generation."

During the conference, Russell said to them, "Young people, you need the power of God. You did not come to this conference just to hear a good message. God wants to encounter you in such a deep way that you will never doubt His presence in your life. He

"Young people, you need the power of God."

RUSSELL BENSON

wants to anoint your generation to take this thing to another level."

Even deeper than his huge passion for the lost is Russell's zeal in imparting the fire of God to the younger generation. It was the late Evangelist Reinhard Bonnke who told him, "Russ, we need to go and we need to pass the baton to the next generation of Holy Spirit evangelists." And that's what he is doing today!

Russell grew up in Port Charlotte, Florida. At an early age, he found himself amid a revival, knowing nothing about revival. At 19 years old, he experienced the power of God when he went to the Brownsville Assembly of God in Pensacola. He was so powerfully touched by God that he came to a point where he had to cry out, "God, I can't take any more of this, lest I die!"

A heart for equipping the saints

Since then, Russell has been faithfully stewarding that glory and presence of God that he experienced. After graduating from Brownsville Revival School of Ministry in Pensacola, he pioneered churches until he realised he has a heart for the "equipping of the saints for the work of the ministry." For years, he has worked alongside Evangelists Daniel Kolenda, Reinhard Bonnke, and Peter Vandenberg.

Today, Russell continues to impact millions as one of the key leaders of Christ for all Nations. When he spoke at the CfaN's

Evangelism Bootcamp first graduation in June, he told the graduates, "This must continue! I feel an urgency in my spirit that we need to take that baton together. And we need to pass that baton to the next generation of Holy Spirit evangelists: hundreds, thousands, tens of thousands of evangelists burning with the fire of the Holy Spirit, leading to the greatest harvest this world has ever seen!"

CfaN's Evangelism Bootcamp is an intense physical, mental, spiritual, and academic training for evangelists, a time graduates have described as "life-changing." At the end of his message, Russell challenged those first Bootcamp graduates. He told them, "This Decade of Double Harvest and reaching another 75 million souls will not happen through just our efforts. We have a mandate to train and to send. And I believe God is going to use the first Bootcamp graduates, the next Bootcamp, and the next Bootcamp, and the next Bootcamp to see amazing things! Will you help us today? Will you stand with us?"

Russell's response to the calling and purposes of God for his life has literally touched millions of people. And he will continue to do so as he stands with CfaN's vision of the Decade of Double Harvest, for the glory of Jesus Christ!

Radically CHANGED!

VICTORIA OSBORNE

"I wanted to be obedient to the call of Jesus."

It's hard to believe that just 8 months ago, I was a full-time neonatal intensive care nurse when the Lord asked me to quit my job and sell most of what I owned to go and attend CfaN Evangelism Bootcamp.

Evangelist Daniel Kolenda, the president of CfaN, had a vision for a Bootcamp that would train, equip, and launch evangelists into mass crusade evangelism in Africa. When I first heard about the launch of this Bootcamp, my initial thought was that this was too far out of reach for me. After all, I was a registered nurse and I had no experience with crusade-style evangelism.

Obedient to the call

A month went by and I still had not applied, but I could not shake the burning desire and urgency to preach the Gospel and see souls saved. I was so hungry to learn and be equipped. I filled out the application, and two weeks later, I was accepted into the CfaN Evangelism Bootcamp. Two months after that, I left my job as a nurse and moved to Orlando to pursue full-time evangelism.

Although many people thought I was crazy for giving up my career, I knew in my heart that I did not want to be successful by the world's standards. I wanted to be obedient to the call of Jesus.

The 6 months of Bootcamp were filled with intense and practical training, with the focus of everything we do being the hands and feet of Jesus. I can honestly say there is no other training like it. From doing local outreaches to preaching in the rain, Evangelist Daniel Kolenda has poured into us to ensure we are ready to be sent out.

Step into the fullness of your calling!

My life has been radically changed because of this opportunity. I truly believe that if there has ever been a time to preach the Gospel, it is now. The Lord is raising up both men and women who are ready to lay their lives down for Jesus to usher in the greatest harvest we have ever seen. If there is one thing I have learned, it is that the Lord is not looking for you to be qualified; He is looking for you to be obedient.

So often we limit ourselves by what we can do in our own strength, and we never step into the fullness of our calling. The Lord is calling out for a generation to step into something that requires them to be fully dependent on Him. It's not about what we can do, but what He wants to do through us. Obedience to Jesus is everything.

WORKING Together for the GOSPEL

GEA was established as a network of evangelists from every corner of the globe to collaborate, synergise, and work together to see a global wave of salvation moving in every continent and every nation of this world!

"Working together and drawing from our combined experience and insight, I'm convinced this will become one of the most fruitful networks of evangelists in the world." ***Daniel Kolenda***

A platform birthed out of a fervent desire to reach the lost and empower evangelists all over the world to fulfil Christ's Great Commission–this is the Global Evangelist Alliance.

President of Christ for all Nations, Daniel Kolenda, says evangelists are the ones often "misunderstood and neglected by the church. As a result, their gifts remain unleashed and buried. And the church continues to thrive without even harnessing its potential–more so, without knowing what could become of the body of Christ if the gift of the evangelists is drawn from the hidden."

"An evangelist is not just somebody who preaches the Gospel. It is a certain breed; we have a certain kind of DNA. We're driven in a certain way for souls," Evangelist Daniel Kolenda said during the Empowered21 Conference in Johannesburg, South Africa.

He added, "An Evangelist is not a second-rate member of the five-fold ministry. We are a part of what God has called for the perfecting of the Saints for the edifying of the body of Christ until we come into

> "An evangelist is not just somebody who preaches the Gospel. It is a certain breed; we have a certain kind of DNA."

the fullness of the stature of Jesus...We are needed and necessary."

At the launch of the GEA in Johannesburg, South Africa 2018, Evangelist Daniel Kolenda gathered some of the most influential leaders in world of evangelism today: Jean-Luc Trachsel, Todd White, Nathan Morris, Andy Byrd, LaDonna Osborn, Daniel King, Daniella Friedzon-McCabe, Michael Koulianos, Teo Hayashi, Jeri Hill, and other well-known evangelists that are part of GEA's organisational team.

If your heart is burning for global revival and you know from the depth of your soul God is calling you to collaborate with other evangelists to see worldwide salvation at an unprecedented rate, now is the time to answer that call.

This generation needs you! Now is the time while it is still day. Now is the time for harvesting!

Don't miss this opportunity to be part of God's army of evangelists and reap the harvest for Calvary's sake!

In joining GEA, you'll have the opportunity to connect with high-profile leaders and renowned evangelists at annual conferences. There will be opportunities to collaborate and connect with other like-minded evangelists who share the same vision and purpose as yours. Most of all, you'll get a sense of belonging to an army of evangelists reaching the world together for Christ!

GLOBAL EVANGELIST ALLIANCE

OPERATION DECAPOLIS

Report

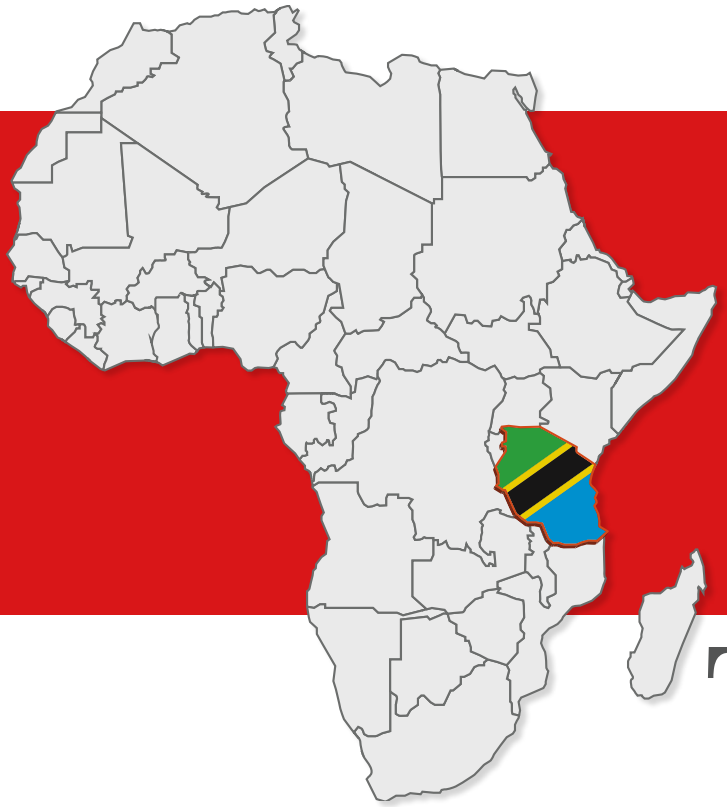
What happened in November in Tanzania was historic and extremely significant. It was the culmination of more than two years of planning in obedience to the word of the Lord, who said to to me that we should multiply labourers for the sake of the harvest. So we have been working diligently behind the scenes, building multiple sound systems (that you helped us build), training up new technicians, campaign organisers, and evangelists. Our many "Pre-Campaign Mobilisation" initiatives were part of the planning and testing phase. The Evangelism Bootcamp was also launched as part of this strategy.

And at last, **OPERATION DECAPOLIS** took place! We began with three simultaneous campaigns in three different cities. In the second week, two more campaigns were conducted in two more cities, for a total of **five campaigns in five cities in two weeks!** I travelled from city to city, preaching one or two nights in each location where a campaign was ongoing.

Now, the word Decapolis means "10 Cities." Originally the plan was to conduct 10 campaigns in 10 cities over 2 weeks in Kenya. But due to COVID restrictions, those cities in Kenya were completely off-limits. Our amazing team of technicians and organisers (the best in the world) managed to shift everything in a matter of days to new cities. **Even with extremely limited time and facing enormous obstacles, they managed to do the impossible.**

And now we can share with you this wonderful report, a tiny glimpse of what God did in Tanzania. May it richly bless and encourage you. This is true multiplication – and it is only the beginning!

Evangelist Daniel Kolenda and the worldwide CfaN team



"...I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father."
– John 14:12

TANZANIA

12 – 22 November 2020

Shinyanga

12 – 15 November

Evangelist Gary Smith

When the salvation message was called, people began to empty the stands and come to the front of the platform. Hands were raised and voices shouted out loud all over the stadium as thousands asked Jesus to be their Lord and Saviour. Such a beautiful moment that I will never forget, hearing thousands ask Jesus to come into their life!

A God of Creative Miracles

A woman came to testify, crying as she was trying to explain that she does not know how it happened, but her left arm grew out and is now equal in length to her right one. Then her father, who is a pastor, came to testify that what had happened was real and that he does not understand it. I told him, "Sir, we serve a God of miracles and the Lord just performed a creative miracle on your daughter!"

A toddler walks perfectly for the first time

After one meeting ended, I was heading back to the vehicle when people surrounded it and started asking for prayer. There was a woman holding a little boy - about three years old - and she told me her son's leg was shorter than the other. I could tell the right leg was much shorter than the left when I held him. I began to pray for the boy, and as I did, his right leg grew to the same length as the left! The mom put the baby down, I grabbed his hand, and we began to walk around. **He was able to walk without any issues. He did not have a limp any longer while we walked.** The mom was crying so much. She could not believe that her son's legs were now equal length.

Daniel Kolenda: "Shinyanga was the first of the five cities I preached in. It was amazing to see evangelists who graduated from the Bootcamp just a few months ago, like Jim and Kathy Leamon (who helped organise this event in Shinyanga), taking such a strong leading role in the organisation of these events. **The campaigns in each of the cities were organised by Bootcamp graduates – and the results have been outstanding.**"

Tabora

12 – 15 November

Evangelist Jared Horton

"Come, Holy Spirit!"

I knew there would be a lot of people at the campaign, but to walk onto that platform and see a massive crowd in front of you is a lot to take in all at once. It is something that brings tears to your eyes. Just seeing all the beautiful Tanzanian people so hungry for God and so open to what we have to say was amazing.

On the first night in Tabora, Tanzania, I preached a simple Gospel message, and right as we began to pray the prayer of salvation, all over the field people began to manifest demons. I almost did not know what to do for a few seconds. **Then over the microphone, I simply asked the Holy Spirit to come.** I began to plead the blood of Jesus over the field and rebuke every demonic spirit, then quietly waited on the Holy Spirit to finish His job. After things calmed down a little, I reverently continued with the decision cards. It was truly a holy moment on the field.

The local pastors told us that there has NEVER been a Gospel event like this in the history of Tabora! On the last night, we also prayed for them to receive the baptism in the Holy Spirit. Suddenly the power of God swept over the campaign field, and thousands of people began praying in tongues and prophesying.

Jesus heals a Muslim woman's tumour

After we prayed for them to receive the Holy Spirit, Bootcamp graduates

David Clementi and Jim Weitner prayed for the sick and started taking testimonies. David and Jim are true men of God that were in Tabora weeks before the campaign began, working diligently to make sure the campaign was a success. After the healing prayer, a Muslim lady came forward to testify. She had come to the meeting with a large tumour in her stomach area. Now she stood on the stage and testified that during the meeting, it disappeared. **She declared, "Now I have to follow Jesus!"**

Kahama

12 – 15 November

Evangelist Daniel King

This same Jesus!

On the second night, I preached on the paralysed man who was let down through the roof. **I gave the altar call, and thousands of people responded by raising their hands.** Then I prayed for the sick. **As I rebuked every pain and sickness, miracles broke out across the crowd.**

Over a dozen people lifted up their crutches and began to take steps of faith.

We heard wonderful testimonies:

- A lady who came to the platform to share her testimony was carrying her crutch in the air. She said **she had been unable to walk for ten years**, but now Jesus had healed her. The band began to play music, and she danced with her crutch lifted high.
- A lady who had been **paralysed for nearly two years** was brought to the event by her neighbour on public transportation – and she was completely healed.
- One woman could **not walk properly for 18 years**. For the past 2 years, she was in a lot of pain and had to use a stick to walk. After prayer, she was completely pain-free and no longer had to use her walking stick.
- One woman had **severe pain from gout** in both of her legs. She was on a very strict diet and could not sleep because of the gout. During the healing prayer, she felt the power of God enter her body and all her pain left.

It became clear that the theme of many miracles that night was "rise up and walk". I preached on a paralysed man being healed by Jesus and then Jesus proved He is still alive by healing many paralysed people in Kahama! He is still the same Jesus today.

Singida

19 - 22 November

Evangelist Paul Maurer

Jesus loves Muslims!

A lot of Muslims live in this city. In fact, the city is 50% Christian and 50% Muslim. My interpreter told me that he noticed many Muslims at the campaign on the second night. When I came down from the stage after speaking, two Muslim women approached me and wanted prayer for their children. I noticed one of the women had a "Now That You Are Saved" follow-up booklet, and I asked what had happened to her. **She said she gave her life to Jesus! The other Muslim lady told me the same thing!** I even heard a testimony of a Muslim woman who got filled with the Holy Spirit after she gave her life to Christ. When I gave the altar call, thousands surrendered their lives to Jesus.

After I preached the Word, Evangelist Joe Turnbull (who was the local campaign director and a Bootcamp graduate) gave a teaching on faith, prayed for the sick, and took testimonies. There he heard how one lady came to the meeting crawling on her knees, as it was very difficult for her to stand. She had a hard time keeping fluids down as well and was vomiting. Her husband had come on the first night and shared what God was doing with her. **She had a dream that night that Joe Turnbull prayed for her, and in the dream, she was completely healed.** When Joe prayed, she was healed of all pain and sickness, and began to run around on the stage!

Evangelist Gary Smith

I am still in awe of all the people who asked Jesus into their lives, turning from darkness and to the glorious light! **We saw so many Muslims accepting Jesus. It was beautiful to see the smiles on their faces.** Not only did we witness thousands of salvations, but we also prayed for the people to be filled with the Holy Spirit. The Holy Spirit was so powerful, people all over the field were crying, shaking, and speaking in tongues. I don't even know how to describe in words what the Lord did.

Arusha

19 - 22 November

Evangelist Nathan Morris

A great hunger for God

As I entered the field on the first night, I could immediately sense the anticipation and expectancy of the large crowd that had already gathered, waiting to hear the Gospel of Jesus Christ. I preached 'Behold the Lamb

of God, who takes away the sins of the world', and thousands responded to the call of salvation.

Almost immediately after the prayer, miracles began to happen as the Holy Spirit moved upon the crowd. Every night, there were powerful miracle testimonies like these:

- A lady who had been **blind in her left eye for the last 14 years** testified that she had regained her eyesight! She was completely healed as we tested her vision.
- A lady was crying, declaring that the Lord had healed her right ear, which was **completely deaf**. She testified the power of the Holy Spirit came upon her and opened up her deaf ear.
- A man who was **paralysed on the right side of his body** for the last three years from seizures was completely healed and danced along as we worshipped God for his healing.
- A lady with **asthma** who had to use a breathing pump multiple times a day was healed by God on the first night and testified she hasn't used the pump for three days.
- After a word of knowledge that God was moving in a woman's womb and that the child would not die but live, a woman testified to having three miscarriages in the past and was currently four months pregnant. At the hospital, they told her that **they could not find the baby's heartbeat**. With tears flowing down her face, she described coming to the meeting believing for a miracle. **The power of God came upon her, and she felt her baby move for the first time!**

Through the storm FOR JESUS

TANYA GARDINER

As Evangelist Kolenda and the CfaN team boarded their planes to travel to Warri, they had no idea of the challenges they were about to face. They had already begun their descent to Lagos airport, when the pilot made an announcement. "*There is not enough visibility to land the plane. All flights are being diverted.*"

Stranded far and wide – but undeterred

One by one, the team's planes were sent to other countries, unable to land in Nigeria because of the Harmattan, a massive dust storm. Daniel Kolenda was stranded in Senegal. Peter Vandenberg deplaned in Ghana, while others went to Turkey.

In Daniel's words: ***"Our team was relentless, refusing to go home. We pressed forward, one flight at a time, sleeping on the floor in airports, standing in lines for flights only for them to be cancelled. Finally, when all else failed, we flew***

*"My respect and admiration for the **CfaN team** has gone to a whole new level. I have seen a level of commitment and perseverance that is difficult to grasp unless you're here to witness it. We all had a thousand good reasons to turn back. But every last one pressed forward without wavering."*

Evangelist Daniel Kolenda

with small local operators in terrible conditions, putting our own safety at risk to be there."

They didn't make it for the first meeting yet **more than 70,000 people turned up on the first night!** With the Harmattan still grounding flights, **the team decided to go by road with a police escort. It's a dangerous journey.** Just half an hour before the second campaign meeting began, the exhausted team finally made it to Warri.

"When I am weak, then He is strong."

Daniel: "*Because many of us missed the first night's meeting, I wondered if the crowd would return.* ***Imagine my surprise when we arrived at the crusade field to find over 120,000 people gathered!*** *I must admit, I felt like I was in a daze all night from sheer exhaustion.* ***Yet, despite my personal physical weakness, God moved powerfully.***

Miracles, old and new!

The following night, a woman called Ochuku Ocheku came forward who had been healed 31 years

ago when CfaN came to Warri in 1989. Peter Vandenberg witnessed the miracle firsthand back then:

"One night a young girl of fifteen years of age came to the campaign meeting, hearing that people were being healed in answer to prayer. She had been in an accident some years before that resulted in many broken bones, and because of delayed medical attention, ***her bones had set at grotesque angles****. She walked with her body permanently bent over to one side.*

At the meeting, Evangelist Reinhard Bonnke prayed for the sick after the altar call. She testified that ***during the prayer, her bones cracked loudly and suddenly she could stand upright and walk with ease.***

The next day at school, her class was in uproar. ***The news spread across the whole school and all classes stopped for the day as students rushed to see the miracle in her body."***

Daniel decided to open the meeting with this testimony to encourage people, then preach and pray for the sick at the end as usual. But once Ochuku spoke, **the faith level of the people was very high, and he sensed the power of the Lord was present to heal.** He prayed for the sick right away and miracles started happening all over the place, before he had even preached the Gospel!

Every participating church FULL of converts

When Daniel Kolenda and Peter Vandenberg got to the final meeting, bishops and pastors crowded around them to report with sparkling eyes that ALL their churches were filled to the brim with new converts. Every difficulty they'd gone through to get there was insignificant compared to the avalanche of blessing God poured out.

"Imagine my surprise when we arrived at the crusade field to find over 120,000 people gathered!"

Spiritual OPEN-HEART surgery

NICO FERREYRA

CfaN Evangelism Bootcamp has been a time of intense training, experiences, and constant faith challenges, and an unparalleled time of fellowship. I still vividly remember the night that I saw the Bootcamp 2020 ad. The voice of the Holy Spirit was so evident as He put in my heart that I should go. From there, an adventure began with my family.

With each step, miracle after miracle confirmed that this whole project was of the Lord. It was like a great wave that moved and directed us towards His purpose. From the moment I sent the application, God opened doors, putting people we had never met before at our side, providing the documentation for all my family, and guiding many people through dreams to contribute financially so that we could travel.

A new heart–and a passion for the lost

With every step that we took, our hearts were enlarged by the thought that if this was the waiting room, what would the operation on our heart look like in the CfaN operating room? Without a doubt, God performed open-heart surgery during Bootcamp. He put in a new heart and renewed our passion for

"Go out into the world and preach the gospel."

the lost, broadened our vision for the world, and gave us the tools we needed to reach the nations for Christ.

I have been an evangelist for many years, but Bootcamp changed my vision forever. Each of the evangelists who ministered to us gave our spirit the nourishment we needed. Each class was like arrows of fire—not an emotion of the moment, but like God was pushing us to do much greater things for Him. The challenges of faith were relentless in each class.

We're part of a big family

Many years ago, I dreamed of something like this, where we would all speak the same thing, where we would all have the same dream of winning towns, cities, and nations for Christ. I know that many times the evangelist feels alone, but at Bootcamp, we were not only equipped but now belong to a big family that has the same crazy faith and the same passion. In Latin America, many evangelists go out into the world alone, but in CfaN, we find friends, where we connect, work together on the same mandate: "*Go out into the world and preach the gospel.*"

Today I can say that I don't feel alone anymore. I firmly believe that I'm the first of thousands of Latin American evangelists who will connect with Daniel Kolenda's dream that God has given to him. God is raising a new generation of evangelists from the Spanish-speaking nations, and we are in that generation.

JESSI GREEN

A Woman on FIRE for GOD

A graduate from CfaN's School of Evangelism, Jessi Green is impacting the West Coast of America in a revival that is happening in California, after passionately following the vision God gave her five years ago.

Jessi Green has always been someone who has a huge passion for the lost. One day, she realised she had the gift of evangelism. However, she couldn't find much information for evangelists to train and prepare for ministry.

"I feel like it's one of the few spiritual gifts that is not talked about a ton. People love evangelists, but they don't know what to do with them," she said in a recent interview.

But then she found out about the late Evangelist Reinhard Bonnke. And later on, Jessi discovered the CfaN School of Evangelism (SOE). So, she enrolled in the course even when she was financially broke. Jessi remembers crying and praying almost every day after class because of everything she had learned from the school's teachers.

A double portion

And on one unforgettable day, during the second-to-last day of school, she went up to Evangelist Bonnke. The young evangelist made what she calls a "really weird request" of him. She asked him if she could have a "double portion" of his anointing.

The late, great evangelist looked her straight in the eye and grabbed her hands. Then he told her, "You'll receive the thing that you've asked for."

In September 2015, Jessi graduated from SOE. She came out of the school completely on fire for God. She has never been the same again!

Since then, she has felt a burden for America. When Jessi went back to New York, she started to share the Gospel on the streets and in the subways. Jessi also came to the point that she couldn't fall asleep because of the fire burning inside her. She kept sharing the Gospel wherever she went across New York, and as a result, multitudes of people were saved.

Three months after graduating from the School of Evangelism, Jessi received a vision from God for California. She saw a vision of Huntington Beach wherein "thousands of people were being baptised." She said people were "turning around and baptising people, chaotic, no order."

"You'll receive the thing that you've asked for."

God said, "GO!"

God told her that it will be the "next revival that she will be a part of." The revival will start through the "equipping of the Saints." God wanted her to take that fire in her to others as well. So, without hesitation, Jessi obeyed and trusted God. She and her husband left everything in New York, including their jobs, and moved to California with a 2-month-old baby. They lived in a tiny apartment in Huntington Beach. They sacrificed everything for the vision God had for their lives.

For several years, they did ministry in that place and founded home churches called Salt Churches. But Jessi began to doubt if the vision God gave her would come to pass because nothing was happening.

Nevertheless, she kept trusting God. She kept doing things small–equipping and discipling people, teaching them to follow Jesus. And they continued to preach the Gospel in the streets.

In April 2019, she heard God telling her that the vision she saw would happen in the summer of 2020. So, Jessi co-organised the event called SATURATE OC 2020. When COVID-19 broke out, she thought it would no longer happen. But the Holy Spirit kept telling her it would still come to pass.

Although she lost partnerships in the SATURATE OC 2020 she had co-organised, God told them to keep going. They wanted to obey God even if that meant they had to go alone in the event. Then, an unexpected miracle happened!

Waves of revival at the seashore

Amidst the pandemic crisis, when California had prohibited public worship,

waves of revival took place at Lifeguard Tower, Huntington Beach.

In the spring of 2020, the vision God gave her finally came to reality. Thousands would come to the events and healings, miracles, and deliverances happened. And many got saved and baptised by the seashore!

"What we are experiencing right now in California is nothing but miraculous. I know so many have prayed for revival and I'm really humbled that God is using our small family, our sweet friends, and this little lifeguard tower to ignite something in the hearts of believers," Jessi says.

Since the first week of July, when it started with only 300 people, these revival meetings now happen every Friday night.

"Hundreds of people are getting saved and baptised. And people are being miraculously healed. Like little children, people are crying out to God on their knees, weeping like 5-year-olds," Jessi testified, amazed at what God is doing.

Even with the persecution they've endured, Jessi and her team aren't affected because of the joy of salvation. They would rather obey God than men.

It's incredible how one person like Jessi is impacting America today. Her obedience led her to this revival that God is stirring up in California in the middle of a global pandemic. How amazing is that?!

If you have that burden in your heart for the lost as well, and you're called to be an evangelist, come and join CfaN's Evangelism Bootcamp this January 2021. It is an incubation chamber for evangelists like you. It is a once in a lifetime opportunity!

"This is so much more than a Bible School. This is like the Navy Seals for evangelists," Evangelist Daniel Kolenda said.

Who knows where God will lead you and how you will impact nations one day for God's glory? You have to be prepared for your God-given destiny. You aren't just an ordinary person—you are a child of God. You are a world changer!

Stepping into God's CALL FOR YOUR LIFE

PETER VANDENBERG

The very first step, and the most important of all, is to step into salvation.

For many Christians, this is as far as they get, falling into a kind of spiritual coma, just waiting for the afterlife and the promise of heaven. But Jesus clearly said that He had come to give us life and a life that is more abundant. That is something that happens *now*.

So how can this happen? The process of moving from salvation to the wider

call of God comes out of discipleship. Being a disciple in New Testament times was something that has few parallels in our day and age, so to know what it is, we need to look more closely at the discipleship of that time.

What is a disciple?

The idea of becoming a disciple of someone else was a common and popular concept in Jesus' day. Many leading rabbis had a strong following of disciples, and political leaders and agitators also had disciples. The root word of disciple is *discipline*, and it is used because a follower, or disciple, of someone would submit themselves to the ideas and lifestyle of the chosen leader. They would voluntarily bring themselves under the discipline of the leader or teacher, not only in a sense of taking in knowledge and ideas but most important of all, taking on the lifestyle, worldview, and outward actions of the chosen leader.

"Take up your cross and follow me."

These days we tend to concentrate on taking on the ideas and knowledge part, but unfortunately, in our world of focus on individuals and their rights, we don't do much in the way of taking on a lifestyle of discipleship. Jesus made many references to the need for this to happen, and a follower of Jesus was fully committed to doing whatever it took to be a disciple, including a life change and, if necessary, personal deprivation and sacrifice. That's what it meant to "take up your cross and follow Me."

How did I come to follow the call?

I have many times been asked what the most exciting thing is that I've ever done. Given my love of adventure, sports, and flying, I think people usually expect an answer that includes plenty of adrenaline! But I always answer, "Following the call of God." That has been the driving force in my life, taking me to places and into situations that I would never have had the imagination to think up for myself. Thank God, He gave me a partner to go adventuring with, my beautiful and talented wife, Evangeline. It's worth taking a moment to look at how we began to hear the voice of God for ourselves, since everything else that followed in our lives comes back to this process.

Other Christians that I knew talked so easily about hearing from God. "*How does that even work?*" I thought. "*Do they actually hear a voice? Is it a feeling? How do they know it's God that's speaking?*" And on top of that, well-meaning Christians were constantly

telling me, much to my annoyance, that there was a call on my life. I wondered how they could know that if I didn't even know it myself?

Then I found myself reading in Acts 15 about the apostles and elders sending some chosen men out to minister in Antioch, and I was riveted by these words:

> "*...it seemed good to us, being assembled with one accord, to send chosen men to you with our beloved Barnabas and Paul*," (Acts 15:25, NKJV) and then again later, "*For it seemed good to the Holy Spirit, and to us...*" (Acts 15:28, NKJV)

It *seem*ed good to them?! They weren't even really sure, but they went out, and the work was blessed. I could certainly relate to that. If something seemed good to me, and the Holy Spirit was involved, I was willing to give it a go.

Listen to the nudging of the Holy Spirit

As I began to experiment with prayer and listening to God, I discovered that I would always get that funny feeling in my belly when the Holy Spirit was trying to get my attention, an actual physical sensation that my family knows as "that cheesy feeling," since it reminds me of indigestion! I'm sure it's different for everyone and that there are many people whose direct line to God

sounds a lot more spiritual than that, but that's just how it is with me and the Lord. When the Holy Spirit is nudging me, I get that odd cheesy feeling in my gut, and I've learned to pay attention, resulting in life-changing decisions and actions.

We have very recently witnessed the graduation of our CfaN Evangelism Bootcamp students after six months of hard work, sacrifice, and following the call of God just as I did so long ago. They are now evangelists, and as I write this, many are already in East Africa preparing to preach the Gospel and to see thousands saved in every meeting. For them, the exciting journey is beginning.

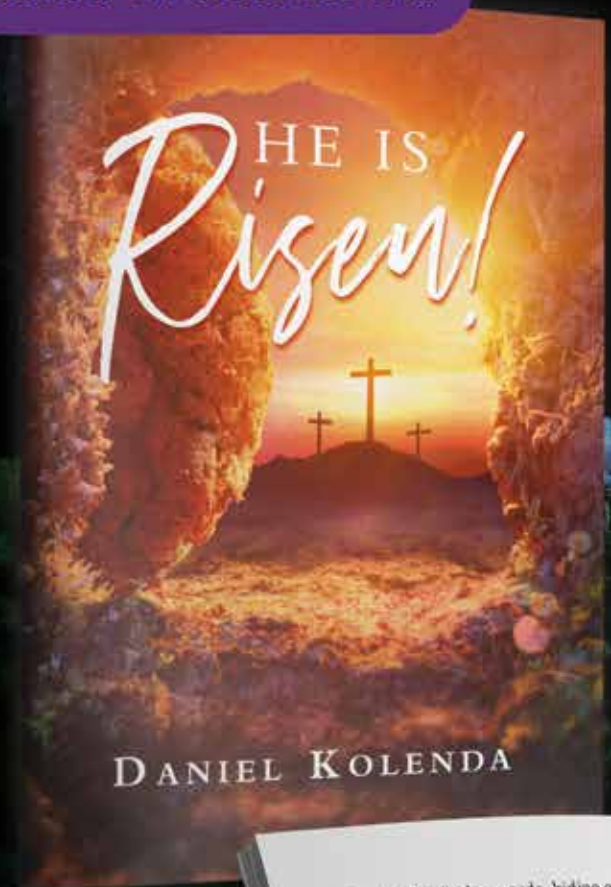
And it can begin for you too as you purpose in your heart, like the disciples who dropped everything and followed Jesus of Nazareth. Many new students are right now facing the challenge of discipleship, life-changing decisions, and even uncertainties to sign up for the 2021 Bootcamp training. I know they will not be disappointed because this is an idea that came directly from Jesus– and that will take them into an adventure they can barely imagine.

This attractive 16 page full colour booklet, will be the perfect evangelism tool to help win family and friends to the Lord this Easter!

HE IS Risen!

DANIEL KOLENDA

Packed in Sets of 10.



THE HEART OF THE GOSPEL IS THAT CHRIST HAS BEEN RAISED FROM THE DEAD.

Whether you believe it or not, the resurrection of Jesus Christ was the most significant event in history. *He Is Risen!* addresses three commonly asked questions about the resurrection of Jesus:

- **Did the resurrection really happen?**
- **Why does the resurrection matter?**
- **Why does the resurrection matter to you?**

The resurrection happened, and because of it the world was forever changed. The resurrection happened, and because of it you can be forever changed.

He Is Risen!
weak-willed cowards, hiding out to save their own skin. But then something happened—something radically changed them. Something transformed them into bold witnesses, proclaiming the gospel wherever they went. (Read the Book of Acts if you want to see what I'm talking about.) What changed them was seeing the resurrected Christ (and being filled with the Holy Spirit). And they didn't just see Him—they talked with Him, walked with Him, touched Him, and even ate with Him for weeks after He rose from the dead!
If Christ didn't rise from the dead, then all the disciples died terrible deaths to intentionally perpetuate a hoax. Their testimony made them outcasts in the Jewish community and fools to the
They lost everything because of their witness.
fact, if your pastor preached about the resurrection in August, you might wonder if he was confused. But the resurrection is not just an Easter message. It is at the heart of Christianity, even in one sense eclipsing the significance of the cross. For without the resurrection the crucifixion was just an execution. Lots of people have died on lots of crosses, but there is only One who rose from the dead, ascended to heaven, and is seated at the right hand of the Father.
Without the resurrection the crucifixion was just an execution
The Apostle Paul also said, "And if Christ is not risen, your faith is futile; you are still in your sins! Then also those who have fallen asleep in Christ have perished. If in this life only we have hope in Christ, we are of all men the most pitiable" (1 Corinthians 15:17–19). That basically means that
didn't rise, all the things we've done wrong
stated from God forever, and if that
he pitied. If Christ wasn't
is imaginary,

The WONDER of MULTIPLICATION

PAUL MAURER

In 2003, I received a prophetic word that I had a powerful anointing on my life to evangelise the nations, walk among the leadership of the nations, minister to them in the days to come, and see signs, wonders, and miracles. It was a powerful word! But I thought it was surely for someone else! It didn't make any sense as I had no desire to go to the nations, and I wasn't seeing any miracles.

So, I put the prophetic word on the shelf and prayed that if it were God's will, it would come to pass. A few years later, I became a youth pastor, and after a series of prophetic confirmations, I ended up being a missionary in China. After living in China for about a year, I started having a lot of dreams about ministering at crusades. The more I prayed about these dreams, the stronger the desire to do crusades became.

It was a long shot, but I had to try

I contacted Evangelist Daniel Kolenda and asked if he would consider mentoring me in crusade ministry. I thought it was a long shot, but I needed to at least try. After praying about my request, Daniel got back to me. I was shocked to find out he had decided to start an apprenticeship programme at CfaN.

Opening a CfaN Gospel Crusade in Burundi, Africa, during my apprenticeship at Christ for all Nations.

"The ministry of Christ for all Nations changed my life, and I am forever grateful."

He invited 6 men from different parts of the world to be mentored by him and asked me to be one of them. I was so excited! That year at CfaN completely changed my life. It built a faith in my heart to believe God for the impossible. Since then, I've been conducting crusades all over the world. Multitudes have been coming to Christ in places like Pakistan, India, and Sri Lanka, and thousands are being healed!

Prophecy became reality

The dreams and prophetic words I had received many years ago became a reality. I am convinced that without the training and equipping I received from Evangelist Daniel Kolenda, I would have never done crusade ministry. Now Daniel wants to raise up another 20,000 evangelists for the end-times harvest! Daniel mentored me, and now I am partnering with CfaN to help train and equip the CfaN Bootcamp graduates in Africa.

This is multiplication! If you are called to evangelism, I could not think of a better place in the world to be equipped and sent out. The ministry of Christ for all Nations changed my life, and I am forever grateful.

BOOTCAMP GRADUATION

LEVI STEWART

As the newly minted graduates crossed the stage, receiving their certificates and the laying on of hands at the first ever Evangelism Bootcamp graduation, you could sense that something truly special was taking place. The culmination of six months of intense, hands-on evangelism training and impartation, this ceremony last June was so much more than pomp and circumstance. It marked the launch date for over fifty fully empowered, strategically educated ministers of the Gospel who will join the CfaN team on the ground in Africa this fall.

The Bootcamp taught these students how to create and deliver powerful evangelistic messages, organise gospel crusades, raise funds and lead a ministry, and much more. In the few short months at Christ for all Nations, each student also acquired hands-on training behind the scenes at the office, led weekly outreaches in the city, and received one-on-one coaching from CfaN leadership. Evangelist Daniel Kolenda personally designed and delivered the programme as a fast-track to the mission field and its first ever graduating class is ready to hit the field with the Gospel and

continue the CfaN mission for a Decade of Double Harvest. Here is what a few of them had to say.

Jim Leamon – Thank you again for allowing us to be a part of this Bootcamp. We are forever grateful and feel confident in moving forward to share the Gospel in the nations around the world.

Eric Dykes – This Bootcamp has changed my life! I believe in this programme so much I would send my own children through it. It has pushed me into a place of boldness I've never been, and thrust me into destiny with Jesus. The men and women of God at CfaN are like none I've ever experienced before! I am so excited to push forward with this team to bring the Billion Soul harvest to pass. I want to give my upmost thanks to Evg. Daniel Kolenda, Levi Stewart, Russ Benson, Roselyne Ayeola, Jared Horton, Peter Vandenberg, and the whole staff and team at CfaN. You have all of my honour and respect.

Jackson-Leigh Rathbobe – CfaN Evangelism Bootcamp is an amazing concept, unlike anything I've known before. The programme design contains every element that is vital for success as described early in the advertising. I felt suitably challenged and encouraged. Obviously the COVID situation was unexpected and unique and I'm sure this had a bearing on the originally anticipated execution of EBC. That said, I was impressed with the tenacity and innovation of the staff in light lockdowns etc. Taking this into consideration, generally leaning toward the apprenticeship emphasising the hands-on elements is and will be a plus. This experience has changed my life and, I trust, many others as a flow-on. I am truly grateful.

Kathy Leamon – I loved Bootcamp. It has marked me for life. Thank you for your obedience to the call of God on your lives. No one could train me and Jim for a call to stadiums but you! No one does what you do! Thank you for your faithfulness.

BRAZIL

A NEW ERA OF MISSIONS AND EVANGELISM HAS BEGUN

ROBERT J. ENGE III & EVELINA SMANE

We are living in the greatest days of harvest that the world has ever known. Ministries across the globe are witnessing packed venues, mass salvations, attendees being baptised by the Holy Spirit with miracles, signs and wonders following the proclamation of the Gospel. The Send, a collaboration of 7 national ministries – including the ministry of Christ for all Nations (CfaN) – is serving as a catalyst to this movement by hosting events of historic proportions. "The Send Brazil" was one of them.

On Saturday, February 8, 2020, The Send collaboration hosted a 12-hour event that spanned across three stadiums simultaneously. During this time, more than 140,000 people

"The days are coming"
Amos 9:13

attended Allianz Parque Stadium (Sao Paulo), Morumbi Stadium (Sao Paulo) and Brasilia National Stadium (Brasilia - The Capital), to worship and seek the face of God. Evg. Daniel Kolenda, the President & Lead Evangelist of CfaN, was one of the collaborators to travel to all three stadiums throughout the day, preaching the Gospel at each.

During one of the drives from one stadium to the next, discussing the magnitude of the day with his team, Evg. Kolenda referenced the scripture from John 14:12, "*Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father.*" (NIV). Evg. Kolenda then stated, "What we are doing now is what I believe Jesus was referencing in this scripture." He then added, "Today, I'll have had the opportunity to preach the Gospel, face to face, to more people in one day than the Apostle Paul did in his entire lifetime."

The Send Brazil yielded unprecedented results. The average age of the attendees, at all three stadiums, was 24 years of age. 7,800 made a personal decision to receive Jesus Christ as their Saviour, 44,326 committed to fast and pray, 50,141 committed to reading the Bible, 10,916 pledged to adopt a university to evangelise, 6,949 to adopt a school to evangelise and 18,476 committed to missions.

Upon conclusion of the day, Evg. Kolenda shared from Amos 9:13 - "*The days are coming," declares the LORD, "when the reaper will be overtaken by the plowman and the planter by the one treading grapes. New wine will drip from the mountains and flow from all the hills.*" A new wine skin has been formed and we are entering into a new era of missions and evangelism like never witnessed before.
